

Host Interest Form

This new networking event combines making contacts while learning about unique businesses along the Grand Strand. Hosted by different Myrtle Beach Area Chamber of Commerce businesses at their locations, members get a Behind the Scenes look at their fellow member businesses all while enjoying small group networking.

To be considered as a host location, your business must be able to show a true "behind the scenes" look of your business to attendees. A host is encouraged to give tours, presentations, share a unique program, etc. and offer attendees an experience that they could not get if they just walked in the door. The event lasts one hour including networking and behind the scenes, so please limit your presentation to 20 minutes. Host must provide snacks and beverages for attendees. The number of attendees is determined by host.

Business Name _____

Address _____

Contact Person _____ Phone _____

E-mail _____

How many attendees could your business accommodate? _____

What day of the week and time works best for your business? _____

What unique experience can you offer to attendees? (attach additional sheet if necessary) _____

Behind the Scenes host locations are selected by the MBACC Membership Division.
