Getting Those Government Contracts

The US Government awards $400 BILLION dollars annually for business contracts. Have you ever wondered how to get in on that business? The US Chamber of Commerce offers a Government Contract Toolkit on their Small Business Nation webpage. In this tool kit you can find out what you need to know, writing proposals, getting registered and all the ins and outs of what it takes to get in on that chuck of money.

To check out the Government Contract Toolkit, visit http://www.uschambersmallbusinessnation.com/toolkits/government-contracting
