

Host Interest Form

The networking event that combines making contacts while learning about unique businesses along the Grand Strand.

Hosted by different Myrtle Beach Area Chamber of Commerce businesses at their locations, members get a Behind the Scenes look at their fellow member businesses all while enjoying small group networking. To be considered as a host location, your business must be able to show a true “behind the scenes” look of your business to attendees. A host is encouraged to give tours, presentations, share a unique program, etc. and offer attendees an experience that they could not get if they just walked in the door. The events last one and half to two hours including networking and behind the scenes, so please limit your presentation. Host must provide snacks and beverages for attendees. The number of attendees is determined by host. In return the host will receive a free ¼ page ad in the monthly Grand Strander newsletter and all business cards collected at the event. *Cancellations must be made within one month before event.

Name of Host: _____

Contact Person: _____ Phone: _____

Address of Event: _____

E-mail Address: _____

Day of Event: _____ Time of Event: _____

How many attendees could your business accommodate? _____
